

HVAC Equipment Rebate Application

The FirstEnergy HVAC Program provides rebates for the installation of high-efficiency HVAC equipment to residential and small commercial (rate code GS) customers of Ohio Edison, The Illuminating Company and Toledo Edison, FirstEnergy's Ohio utility companies (FirstEnergy). This equipment must be installed by a participating contractor and must meet all program requirements.

Please complete this application and mail it to the address provided below along with:

- 1) a dated sales receipt (between March 23, 2011 and December 15, 2012) from a participating contractor, and
- 2) an AHRI* certificate illustrating model number and efficiency performance ratings

Mail to: FirstEnergy OH Rebates Offer #H841606 · P.O. Box 130002 · El Paso, TX 88513-0002 (Please do not send this form with your utility bill payment)

HVAC Equipment Terms and Conditions 1. Equipment and services must be purchased between March 23, 2011 and December 15, 2012. 2. Applications must be postmarked by December 19, 2012. 3. Customer must provide a dated sales receipt reflecting a purchase date between March 23, 2011 and December 15, 2012. 4. Customer must provide an AHRI certificate illustrating model number and efficiency performance ratings. 5. Rebate payments are based on the equipment purchase date. Customers must abide by the rules and rebate levels in effect on the date of purchase. 6. Rebates are available for residential and small commercial (rate code GS) customers of Ohio Edison, The Illuminating Company and Toledo Edison, FirstEnergy's Ohio utility companies (FirstEnergy). 7. One rebate check will be issued to the account holder on record. 8. Please allow up to 90 days from the date all required information is received to process your rebate. 9. Please submit one rebate application form per unit. 10. Work must be completed by a participating contractor. 11. It is the responsibility of the customer to assure that all requirements for the rebate are met. Failure to provide any of the required information will prevent processing of your application. 12. Purchase must be of a qualified high-efficiency electric central air conditioner, heat pump or geothermal unit as defined in the table on the back of this rebate application form. 13. Both the condenser and coil must be replaced and installed as a matched set as defined by AHRI. 14. FirstEnergy and/or its designees including program administrators and evaluation contractors reserve the right to review installations to verify completion and measure energy savings to ensure compliance with all program requirements. Such reviews will be made at a time convenient to the applicant. Misrepresentation of installation location or measure eligibility may result in forfeiture of the rebate. 15. Program procedures, requirements and rebate levels are subject to change or cancellation without notice. 16. Installations must be completed in accordance with all laws, codes and other requirements applicable under federal, state and local authority. 17. Customer is urged to seek appropriate consultation concerning any tax liabilities that could be associated with the receipt of the rebate. FirstEnergy, its parents, subsidiaries, affiliates, officers, employees, contractors and agents are not responsible for any tax liabilities that a customer may incur. 18. FirstEnergy, its parents, subsidiaries, affiliates, officers, employees, contractors and agents assume no responsibility for the performance of the equipment or equipment warranty, the quality of the work, labor and/or materials supplied, and/or the acts or omissions of the participating contractor. 19. The customer hereby agrees to indemnify, defend and hold harmless, FirstEnergy, its parents, subsidiaries, affiliates, officers, employees, contractors and agents from any and all liability associated with this project. 20. I understand that I may be contacted by FirstEnergy via survey or questionnaire to provide feedback on my satisfaction with the program.			
By signing this application, I agree to the terms and conditions of this document. I understand FirstEnergy reserves the right to audit my rebate application and if requested, I will allow a FirstEnergy representative reasonable access to verify the installation of qualifying products.
